

## Tutor's Review on Master Thesis

<b>Faculty:</b>	Faculty of Fisheries and Protection of Waters
<b>Institute:</b>	Research Institute of fish Culture and Hydrobiology
<b>Student:</b>	Denisa Sochorová
<b>Branch of Study:</b>	Laboratory of Reproductive Physiology
<b>Title of the Thesis:</b>	Kryokonzervace spermatu ryb na modelovém druhu kapra obecného ( <i>Cyprinus carpio</i> ): vliv různých teplotních režimů zamrazování na životnost spermií po rozmrazení
<b>Tutor of the Thesis:</b>	Sergey Boryspolets, MSc., Ph.D.

### Thesis assessment:

**Formulation of the Thesis Objectives:** (1) Objectives perfectly formulated

**Processing Method:** (1) Perfectly chosen and formulated

**Data and Information Application:** (1) Used data are current, information relevant and correctly applied

**General Approach to the Solution:** (1) Absolutely correct approach to the solution

**Author's Theoretical Background:** (1) The author quoted significant authors and knows the theory of the issue

**Work with Professional Literature (Quotations, Standard):** (1) The author complied with the quotation standard in an absolutely correct way

**Language Level:** (1) Language level of the thesis is absolutely adequate

Comment: Could be incorrectly evaluated by non native speaker

**Accuracy of the Formulations and Work with Professional Language:** (1) The author knows extensive terminology and is perfectly able to use it

**Formal Arrangement – General Impression:** (1) The thesis is absolutely correct in formal terms, the general impression is excellent

**Satisfaction of the Thesis Objectives:** (1) The outcome exceeds the defined objectives that have been satisfied including the partial ones

**Conclusion Statement:** (1) The conclusion is very well stated and of particular relevance for further use

**Professional Contribution of the Thesis and its Practical Application:** (1) The thesis is perfectly applicable in professional and practical terms

### Rating and Recommendation

**Recommended rating of the thesis:** Excellent

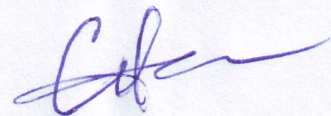

**I recommend the thesis for defense:** YES

***Further Comments, Opinions and Suggestions for the Defense or for Further Application of the Thesis:***

I have not any special questions or suggestions for the thesis. Grade of the thesis: excellent (výborné)

***Date:*** 27. 05. 2015

***Tutor's Signature:***

A handwritten signature in blue ink, consisting of stylized cursive letters, likely representing the tutor's name.
