8. Monitoring for plagiarism (result) **negative**

Conclusion

Thesis evaluation (note): **excellent**
I recommend the thesis for defence: **YES**

Questions and comments

Critical comments and overall contributions, total value of the thesis

These theses are a very valuable study of risk management of a chosen project in Africa. The author has done an excellent work in conducting the risk management tool summary and evaluation.

Questions and topics for discussion before the commission

Please describe the particular risks which can be generalized for intercultural projects at all.
