8. Monitoring for plagiarism (result) **negative**

Conclusion

Thesis evaluation (note): **excellent**

I recommend the thesis for defence: **YES**

Questions and comments

Critical comments and overall contributions, total value of the thesis

The theses were conducted on standard level and the results can also help to raise the internationalization also in other LAGs. It can become a methodological tool.

Questions and topics for discussion before the commission

How important is the management of the particular LAG for the internalization grade of its projects? Please compare it with the localization aspect - boarder regions/inland regions.
