Thesis evaluation

1. Importance and difficulty of the topic 1.0

2. Logical structure of the thesis 1.0

3. Fulfillment of objectives 1.5

Note: Research questions were clearly stated. The objectives were fulfilled. The conclusions should be more clearly linked to particular research questions.

4. Methodological approach 1.0

5. Assessment of theoretical and/or practical contribution of the thesis 1.5

6. Handling of literature 1.5

Note: The APA6 referencing and citation style is not properly used and kept.

7. Formal aspects 1.0

Note: "I was already offered you" should rather be "I was already offered thou" in English. This information is absolutely clear in the full thesis in German unlike the English resumé.

Conclusion

Thesis evaluation (note): **excellent**

I recommend the thesis for defence: **YES**

Questions and comments

Critical comments and overall contributions, total value of the thesis

Very interesting thesis.

There should be a clear statement about the number of interviewed persons in the chapter on data analysis.

Questions and topics for discussion before the commission

Why the HR Management limited each interview with a different duration?
