## Questions and comments

### Critical comments and overall contributions, total value of the thesis

The thesis is oriented on the aspects of cross-boarder cooperation between Germany and the Czech Republic on the case of one non-profit organization. The thesis is clearly written and well structured.

### Questions and topics for discussion before the commission

Would there be any difference in the outcomes of the reasearch if the chosen organization would not be a part of the rectorate of the University, eg. an independent non-profit organization? Please coment your answer.
