

Assessment proposed by the supervisor: recommend

Assessment proposed by the reviewer: recommend

Course of the defence:

Defence was online via MS TEAMS.

Prof. Grubhoffer welcome the student and the commission, all members of the commission were connected.

The student introduced the studied parasite and its life cycle, interactions with the host, effect on the host, methods used for the study. Next, she presented the aims and the results she obtained during her work.

Supervisor Dr. Kolisko presented his review followed by the review by the opponent Mgr. Tykalová. The student answered all the questions, mostly to the opponent's satisfaction, some problems arised from the experimental setup. Next, a short discussion followed and the student answered the questions.

2x excellent, 3x very good

Score: 90

Assessment: very good

Date of defence: July 28, 2020
