

Assessment proposed by the supervisor: *Recommend*Assessment proposed by the reviewer: *Recommend***Course of the defence:**

Head of the commission Prof. Vácha welcomed the student, members of the commission, and guests. All members of the commission were present, except the co-supervisor Dr. Kotsarenko.

Mr. Steimmer introduced the topic of production and purification of recombinant proteins in general. Then, the aims on the production of Puro- cMyc^+ and several cMyc^+ proteins were presented together with description of these proteins. Used methods were described together with results.

Supervisor read the review by Dr. Kotsarenko followed by Dr. Brtkočík and his opposite review. Mr. Steimmer answered all the questions satisfactorily.
