

Assessment proposed by the supervisor:

Assessment proposed by the reviewer:

Course of the defence:

The candidate presented his thesis, the talk was professional and convincing.

The supervisor read very positive evaluation, emphasising the students independency and programming skills. The review, read by a committee member, was also positive, and recommended excellent evaluation.

Score:

5 x 1 = 5

Assessment:

excellent

Date of defence:

June 4, 2021

.....
committee chairman
