Comments of the supervisor on the student and the thesis:

Ondřej Kuchynka performed research of excellent quality during his bachelor's studies. He produced a very well-written thesis in English. Ondřej Kuchynka wrote the thesis entirely on his own and his work did not require any major corrections on the side of the supervisor. Ondřej fulfilled all aims of his research and demonstrated outstanding ability for independent thinking, data analysis and interpretation. Research results obtained by Ondřej Kuchynka are now being prepared for publication in a journal with impact factor. I highly recommend the thesis of Ondřej Kuchynka for the defense and believe that he deserves the highest evaluation mark.
