Mühlsteinová R., Hauer T., De Ley P. & Pietrasiak N. (2018): Seeking the true *Oscillatoria*: a quest for a reliable phylogenetic and taxonomic reference point. *Preslia* 90: 151–169.

DOI: 10.23855/preslia.2018.151; IF 2018: 3.071

Radka Hauerová (née Mühlsteinová) was responsible for strains isolation and cultivation, morphological documentation, molecular methods, and preparation of the manuscript draft including the figures and tables. She is the first and corresponding author of this paper and in total contributed 70 % of the work.

As a co-author I agree that Radka Hauerová contributed to this manuscript in the above-mentioned extent.

Nicole Pietrasiak:  24 May 21

Paul De Ley:
