Hi WHZ-CM, how are you? Please could you provide me with info how it looks with questionnaire? Many thanks and bye, Škoda-KK 😊

09:40

Hey Škoda-KK!

As said I will keep you in touch once I work on this questionnaire. So far I didn't manage to find time : now we are in the CZ we have a lot of things to do and deadlines to meet so it's hard to gather my partners.

I will tell you when I am done with it. What's your deadline when you'd like to have the questionnaire at the latest?

11:22

Bye! Good luck with your work! 💪

11:36

It's up to you, just consider that we need at approx one week 😊. I will send today email to my colleagues just for info, how the situation looks 😊. Enjoy it in Ceske Budejovice 🍷. Škoda-KK

11:37

Ok thank you for this information! Yes thank you I actually enjoy it a lot! 😊

So I contact you later on when I am done with the questionnaire!

11:41

jeudi 17 mai

Dear WHZ-CM, how it looks with
modification of questions?
Thanks in advance, Škoda-KK 😊

15:25

Hi Škoda-KK!
Thank you for your concern about
the project.
As previously said unfortunately
this week we don't have time to
work further on this questionnaire
and this weekend I am on the
move.
But I am looking forward to send
you news about in the course of
the next

18:13

week, I will be much able to find
time to work thoroughly on it.
I will let you know!

18:14

Hope it is fine like this for you.
Thanks again for your messages!
😊
I wish you a nice weekend!

18:14

vendredi 25 mai

Hey Škoda-KK!
You can expect receiving the final questionnaire by this evening or tomorrow.
We are just waiting for one of our member to finish its part actually...
I'll be in touch soon!
Have a nice evening 😊

18:51

Thank you very much for the info 😊 please when you need it at the latest? Because I need to put my member some deadline and my deadline to collect everything and provide you with it 😊. Also you - enjoy the weekend 😊🍷

18:53

Would you please just ask the member of your team if they prefer to be interviewed in Czech or in English? Both are possible :)
Many thanks in advance 😊

18:53

Mmm we actually envisage to interview directly your member via Skype, as I did with you... We just send the questionnaire in advance for you to get prepared...

18:55

I thought we agreed on that procedure during the latest meeting we had you and I...

18:56

English, more comfortable for you. One by one? Ok, and you or other members from your side? But please do it 1:1, in the other case it could be uncomfortable. Ok I will provide you with my answers. It will be useful because everybody of us will give you some additional info. Yes that's true 😊 I am happy that we are continuing better than before 😊, honestly. Thank you very much for your cooperation 🙌😊

19:02

We have Czech-month er-tongue speakers, it is not a matter for us, but your colleague have to feel really comfortable
Of course it will be 1:1 interview, don't worry ;)
Thank you too for your quick answer and your help!! 😊😊

19:30

Hey again Škoda-KK!
I just sent the questionnaire to you and all your colleague per E-Mail!
Looking forward to receive your feedbacks soon!
And again, please tell to your colleagues to let us know asap their preference for the language of the interview.

22:41

Many thanks in advance for your cooperation 😊
Enjoy your weekend

22:42

dimanche 27 mai

13:46

mercredi 30 mai

10:45

Hi Škoda-KK!
Hope you're doing well! 😊
Well Škoda-PP meant that the interview has to be carried out in English anyway, as the evaluation is part of your English course, he wrote.
Could you confirm that?

11:23

Ok thats true so let it in english 😊

11:36

lundi 4 juin

Hello WHZ-CM, I am sorry for not providing you with data in time. Please do you think that I can send it to you later? Many thanks in advance, Škoda-KK

20:45

mardi 5 juin

Hi Škoda-KK!
So far it is not a problem for us, as our presentation is for the last of this month.
But I have much more concerns for your team, as yours is for mid-June isn't it?

11:27

But do you actually need the data analysis for your presentation or it is just about critical incidences?

11:28

And do you think you can manage to provide the data at the latest by the end of this week?

11:29

Just talking about your questionnaire. 😊 On Saturday I have exam from makro, I will send it to you on Sunday. Is it ok for you?

11:30

jeudi 14 juin

Hi Škoda-KK!
Many thanks for sending me back the questionnaire.
I do apologize but neither I nor the others have time this week to have a real look on the questionnaire as we had and we still have exams to sit this week.

15:36

I will let you know when I will check your questionnaire in the course of the next week.

15:37

Hi WHZ-CM,
I understand, this period is horrible honestly. But I would like to ask you to provide us with your final presentation (outputs) at the latest next Wednesday. Many thanks and good luck 😊🍀.

15:38

Other topic : I need please to agree on an appointment anytime during next week as well. I would please request again a bit of your time to interview you. This time it shouldn't last too long, it a matter of 30 minutes maximum I would say.
So would you please let me know about your availabilities next week?

15:42

I wish you a nice weekend meanwhile 😊

15:42

Ok I will inform the other member of my team of this deadline I will let you know!

15:43

I have no problem but I am on business trip in Italy from Monday to Wednesday. So Thursday 😊.
Or I will ask Škoda-PP to have meeting with you earlier, up to you 😊.

15:44

What do we have to prepare exactly? The analysis or the complete presentation? Like ready-to-be-use slides for you to present to you teacher?

15:44

Ok Tuesday for the appointment
Thanks for you offer but I need to do this with you personally and Škoda-PP already did this interview

15:45

Complete presentation if possible, your output 😊

15:45

Thursday 😊 21.6. or up to this Sunday some day

15:46

mardi 19 juin

Hey Škoda-KK
Hope your doing well

11:42

I would like to apologize but we can't make the presentation for Tuesday, it is far from being doable for us, we all have exams this weeks

11:43

We can do it during this weekend and sent it to you by Tuesday next week at the latest!

11:44

Ok but it is late for us. So we have to say that you didn't provide us with your output and we will make only our

11:45

You already have your own output too?

11:46

But when do you need the presentation at the latest?

11:47

Tuesday, Friday we have to present

11:48

Ok we can't have it finished during this week.
I will tell you if we manage to do it but if you don't hear of me it would mean that we didn't have it

11:57

But what do you want from us exactly? Like a presentation of the methods used and the data you provided us with? And then our mind on that, or what general conclusions can be made from the data?

11:59

Or your conception of output is of another kind?

11:59

mercredi 20 juin

Hey Škoda-KK!

10:13

I am sorry I have class right now I can't answer you

10:14

Is there any problem? What do you need to contact me?
